Women Helping Women Succeed

August 2005

From the President~

Are you searching for a fun way to nurture yourself or grow your business?" Network has three events taking place that can help you do both! Mark your calendar for these dates:

(1) Tuesday, August 2nd

In response to your overwhelming support of our formal networking programs throughout the past year, Program Chair Trish Stott Summers has planned a networking "round robin" for our August luncheon meeting. Each table will have a moderator to facilitate. The goal is to generate increased business interaction among all participants.

As we go to press with this month's Contact, Network also has two awesome special events in the works! Although it's a bit premature to announce specifics, pencil in the dates because you won't want to miss either experience!

(2) Tuesday, September 6th

Thanks to Trish's efforts, nationally acclaimed Sarano Kelley (see www.saranokelley.com) has agreed to present a special luncheon program for Network. This is an incredible opportunity to hear a truly remarkable speaker! The Milford Chamber of Commerce has agreed to be our partner for this program. Pre-registration will be required, so watch for details in Network emails.

(3) Thursday, October 27th

Save the evening for an even bigger and better Girls Night Out! Activities Chair Sue Kasmin is finalizing plans for an event that will combine fun, food, and fundraising ...including everything from "dress for success" to Harley "biker" fashions! Anyone who has attended Girls Night Out in past years will urge you not to miss it!

Net profits from Sarano's presentation and from our Girls Night Out benefit Network's scholarship fund ...so not only will you have fun at these extraordinary events, you'll also have a personal sense of pride when you meet our amazing scholarship recipients!

Network's special programs provide opportunities to expand your circle of business referrals and resources while learning and enjoying yourself! I urge you to attend them ...and to get involved behind the scenes, too! (To participate in a committee, call me at 377-3036 or email hbmoser@webmasterwebsites.com.) They're also an ideal time to bring along potential NEW members as guests... what better way is there to expand our ever-growing network of women helping women?

Looking forward to seeing you (and your friends and colleagues) at all three events,

Helen

IT'S ALL ABOUT NETWORKING

Though the "Dog" days of August maybe upon us, at a Network of Executive Women meeting, professional business growth is still a priority. In response to member surveys over the past year and recent feedback, our August 2nd meeting will have Networking Round Robin tables. Each table will have a moderator to help facilitate the networking. All members and their guests will have an opportunity to increase their referrals and future business for the coming year.

Members will be encouraged to introduce themselves and to sit with someone they have never had the pleasure of meeting. Find out more about each other and how you can each help another member obtain more exposure, while at the same time receiving the same.

Plan to bring business cards, guests and the story of your unique service to women helping women and the community.

After 33 years in the travel business, Carrie has the expertise to create a seamless vacation for you. Suggestions include ways to receive the best airfares, and having you book in advance for early bird discounts on cruises. Carrie will let you know the hottest new destinations and the way to receive the best value for your dollar.

"I always tell my clients, I shop for your trip as if I were taking it." Clients always receive personalized service to inform them on proof of citizenship requirements, the right time of year for a destination based on weather and seasonal pricing.

Carrie and her agents have taken courses to become Disney Specialists, Universal Orlando Specialists, Canadian, Caribbean and many other destinations. Specializing in honeymoons is an all time favorite, matching client to the right destination.

Currently she is working on putting packages together for singles. Having a two fold reason, some women do not like traveling alone and it could be a chance to meet other singles. Carrie is planning a singles weekend to Las Vegas in the fall and a Caribbean Island getaway for singles in the winter.

Besides vacations, Carrie Travel handles corporate travel for all your company's business needs. Reservations are made for Amtrak, car rentals, hotels, limos and airlines.

All clients receive reduced rate coupons for airport parking.
