

Network of Executive Women addresses the common business interests and issues of women in executive, professional and entrepreneurial roles through the exchange of ideas, information, and experience.

## From the President~

Hope everyone is enjoying the summer, now that it has finally arrived!

During the summer months, the Network is ramping up for the Fall. We're planning some exciting and informative speakers and networking events for our upcoming luncheons that you won't want to miss. In this business economy, networking and expanding your knowledge base is a smart way to keep you and your business moving forward. We hope our luncheon meetings can help you achieve these things and more!

We've also put the gears in motion for our Girls' Night Out event, planned for November. Check the newsletter for details on how members can get priority tabletop spots to maximize your exhibit's visibility and marketability.

Thanks for all your contributions to the Network and I look forward to seeing you at the August luncheon.

Jocelyn
