Thank You

I can't believe a year has passed already. I just want to take this opportunity to THANK YOU all for a wonderful year. I truly appreciated everyone's hard work on GNO and as I said at the last luncheon I was proud to be your President. I want to thank all the Board members and all the committee members for giving their time and energy to help Network have such a successful year. I am so happy and pleased to be turning over the reins to our new President Jocelyn Murray. She is one of the most thoughtful women I have ever met and she will bring a lot of energy and leadership to Network.

I will be staying involved as your Activities Chair. My job will be to come up with some events that we as members can use to Network and have a little fun too. I am open to suggestions, so if you have any ideas that you think the membership would like to do as a group, please let me know.

Thank you again and have a great summer,

Maria

Business Tip of the Month

People buy on emotion. It's a salesperson's job to trigger those emotions to create interest which equals opportunity. To create the interest, devise an explanation of what you are offering and what problems your products or services can solve.
