

Network of Executive Women addresses the common business interests and issues of women in executive, professional and entrepreneurial roles through the exchange of ideas, information, and experience.

From the President~

I hope you all had a wonderful Memorial Day weekend and enjoyed getting together with family and friends. Sometimes however I find that the meaning of Memorial Day gets a little lost in the party atmosphere of hot dogs, hamburgers and your drink of choice.

Memorial Day was formerly known as Decoration Day to commemorate US men and women who died in the country's military service. It was first enacted to honor the fallen Union Soldiers in the American Civil War and expanded after WWI to include the fallen of any military action.

Did you know that the first Decoration Day was observed on May 30th 1868 and although the term Memorial Day was first used in 1882 it did not become the official name until 1967 by Federal Law? That really surprised me.

We have so much to be thankful for because of these heroes and having a young nephew in the service I am acutely aware of how much they give and how much their families sacrifice for our freedom. Thank you to all our men and women serving in the military and I know that our prayers go out to all the fallen soldiers and their families who paid the ultimate sacrifice both past and present.

I want to give a big thank you to Carol Faruolo and the membership committee for putting together a very nice evening at Pietra's for the membership drive on May 14th. We had a lovely time that night and would always welcome new qualified members. So if you know anyone that would like to join our group or anyone who just wants to see what it's all about, invite them to a luncheon or a Girl's After Hours.

Also remember to send in your renewal forms. Judy Gould attached the form to our Contact Newsletter but

Quotes of the Day

Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.

Mark Twain

Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.
