September 2002

From the President~

Hello Ladies! It's hard to believe that the summer is rapidly drawing to a close and soon autumn will be upon us. However, with the change of seasons comes a time for all of us to think about a change in ourselves. With that in mind, I hope all of us are considering not only a spiritual change but a complete make-over both outwardly and inwardly.

Our next luncheon promises to help us begin that inward make-over process. Our guest speaker, new network member, Susan Jarvis will offer practical and effective ways of maximizing and balancing performance in personal and business life. Her discussion will focus on highlights of harmonizing the light, love and power in women so they can clear and heal obstacles to achieve greater success and also develop natural inner powers to fulfill their purpose. It sounds like a very exciting topic to help guide us with our inner make-over.

Our outward transformation will take place on October 17th at our Glamourfest which is being hosted by The Eastern Rehabilitation Network at 9 Research Drive in Milford. Chris Gonillo, activity chairperson and her assistant, Karen Bellamy are actively recruiting vendors for this event. If you have an interest in participating please contact either one of them. They are especially looking for hairdressers, manicurists, aestheticians, jewelry and clothing boutique owners, makeup consultants and massage therapists.

Our marketing committee is in the process of designing and distributing flyers for the event. If anyone is interested in assisting in the design or distribution process, please contact Kim Kasparian, Rachel Console or Karen Dobosz. I am personally requesting that all members help market this event to other organizations of which they are members and also to their own personal and business contacts. The Glamourfest is the first of three events that will raise the monies for our Scholarship Fund. I, as well as the Executive Board, am committed, to reaching our goal this year of \$10,000. With the help of every member, I am confident that we can do this. I know we can, if we all work together to help each other and to help Network.

A tremendous thank you goes to Milford Bank for funding our Glamourfest. I and Network, greatly appreciate the support and consideration that Milford Bank has shown to us.

For those of you who were unable to attend the last meeting, we had a very exciting workshop conducted by network member, Kim Kasparian. She helped us develop an interesting "elevator commercial" and "tag" line. (I'm in the business of keeping people in the green, and I don't do lawns.) Do you have your tag line? Also, we tried out our new "pot luck" seating format which generated much conversation and networking. It was the consensus to keep the new format for seating and to

schedule more workshops and "hands on" programs for future meetings. If anyone has any suggestions or recommendations for future workshops, please contact me.

The Executive Board regrets to inform all of you that Carol Pryke will no longer be able to continue as Network's Historian. Since her fall last year and all the complications thereafter, which just seem to keep on happening, she is unable to continue on the Board. Carol is one of the original founders of Network and she certainly will be missed by the Executive Board. The Board and Network would like to thank Carol for all the effort and contributions she has made throughout the years. Thus, the Board is seeking a member to be the Historian. If you are interested in this position, please contact me as soon as possible, since the trunk of my car is serving as Historian.

So as the summer comes to an end—think of the autumn as a season where there will be a NEW you—with a NEW look, a NEW hat and a NEW attitude. (Isn't it interesting, that the word "NEW," stands for our organization?) And as the season changes, there will be a NEW Network of Executive Women, helping each other and helping Network reached its scholarship goal.

*Sincerely,
Harriet C. Haggerty*

ENLIGHTENED PERSPECTIVE

If you will take the time to read these, I promise you'll come away with an enlightened perspective. The subjects covered affect us all on a daily basis!

They're written by Andy Rooney, a man who has the gift of saying so much with so few words. Enjoy...

I've learned.... That the best classroom in the world is at the feet of an elderly person.

I've learned.... That when you're in love, it shows.

I've learned.... That just one person saying to me, "You've made my day!" makes my day.

I've learned.... That having a child fall asleep in your arms is one of the most peaceful feelings in the world.

I've learned.... That being kind is more important than being right.

I've learned.... That you should never say no to a gift from a child.

I've learned.... That I can always pray for someone when I don't have the strength to help him in some other way.

I've learned.... That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned.... That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned.... That simple walks with my father around the block on summer nights when I was a child did wonders for me as an adult.

I've learned.... That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.

I've learned.... That we should be glad God doesn't give us everything we ask for.

I've learned.... That money doesn't buy class.

I've learned.... That it's those small daily happenings that make life so spectacular.

I've learned... That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned.... That the Lord didn't do it all in one day. What makes me think I can?

I've learned.... That to ignore the facts does not change the facts.

I've learned.... That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learned.... That love, not time, heals all wounds.

I've learned.... That the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned.... That everyone you meet deserves to be greeted with a smile.

I've learned.... That there's nothing sweeter than sleeping with your babies and feeling their breath on your cheeks.

I've learned.... That no one is perfect until you fall in love with them.

I've learned.... That life is tough, but I'm tougher.

Enlightened Perspective cont'd

I've learned.... That opportunities are never lost; someone will take the ones you miss.

I've learned.... That when you harbor bitterness, happiness will dock elsewhere.

I've learned.... That I wish I could have told my Dad that I love him one more time before he passed away.

I've learned.... That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned.... That a smile is an inexpensive way to improve your looks.

I've learned.... That I can't choose how I feel, but I can choose what I do about it.

I've learned.... That when your newly born grandchild holds your little finger in his/her little fist, that you're hooked for life.

I've learned.... That everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.

I've learned ... That it is best to give advice in only two circumstances; when it is requested and when it is a life threatening situation.

I've learned.... That the less time I have to work with, the more things I get done.

It's National Friendship Week. Show your friends how much you care. Send this to everyone you consider a FRIEND, even if it means sending it back to the person who sent it to you. If it comes back to you, then you'll know you have a circle of friends. HAPPY FRIENDSHIP WEEK TO YOU!!!

HONOR OUR NATION ON SEPT. 11

Please note ~ There will be a memorial service held on the Milford Green on 9/11 at 6:30 pm.

September 11, 2002 - A Way To Honor Our Nation Together

On that day, please wear red, white and blue to work or school to show your support for those who lost their lives on 9-11-01, and to honor the heroes who worked to save them and the families left behind.

At noon on September 11, 2002, no matter where you are or what you are doing, stop, put your hand on your heart, and say the Pledge of Allegiance out loud, or to yourself, and say a prayer for our nation.

If all of us do this together in every time zone around the world, we will have a powerful chain of thoughts surrounding us.

Please send this to friends and family.

By September 11, 2002 enough people will have read this and will join together in unity.

God Bless the USA
